INFRINGEMENT OF U.S. PATENT NO. 5,251,294

9. On October 5, 1993, United States Patent No. 5,251,294 (“the ’294 patent”) was duly and legally issued for “Accessing, Assembling, and Using Bodies of Information.” Webvention is the owner by assignment of all rights, title and interest in and to the ’294 patent and possesses all rights of recovery thereunder. A true and correct copy of the ’294 patent is attached hereto as Exhibit A.

10. Defendant Beazer Homes USA has infringed and continues to infringe the patent-in-suit directly by making, selling, offering for sale and/or using websites, including but not limited to www.beazer.com, that practice or embody the patented invention. Defendant Beazer Homes USA has also infringed and continues to infringe contributorily, and/or through the inducement of others, by making, selling, offering for sale and/or using websites, including but not limited to www.beazer.com. With regards to Defendant’s indirect infringement, direct infringers include end users of the www.beazer.com website.
